Once you select your package, you will receive a contract outlining the terms of the project to ensure clarity and mutual understanding. To begin work on your site, a 20% deposit is required. This allows us to secure your spot and start the creative process. Afterward, you'll be presented with initial mockups of your website, giving you a visual preview of the design. We offer unlimited rounds of revisions to ensure the final result aligns perfectly with your vision. Your satisfaction is our priority, and we are committed to refining every detail until your site is exactly as you envision.

Your website can be built on your preferred platform—Wix, Squarespace, or WordPress—depending on your needs and preferences.
